Harry Potter's Weird Bird

Harry Potters Weird Bird
>
>Harry potter had a weird bird named Hedwig. Hedwig was weird because she ate apricots. She ate apricots and People because she was HUNGRY!!! One day Harry went to visit her and give her apricots and she ate all of the other owls. Harry said"Hedwig you are a fat fat bird so you do not get any apricots," and with that said, Hedwig ate Harry and lived with her fat self and lived happily ever after.
